

**My favorite possession:** My costume collection including red, white and blue cowboy boots and over a dozen wigs.

**I'm thinking about:** How different life was before Google.

**I am most proud of:** being the first woman in my improv troupe at The Village Theatre.

**If I could be totally wild, I would:** Ride a motorcycle and wear sexier clothes but not necessarily at the same time.

**Last major purchase:** A crown. Unfortunately, the kind that goes in your mouth, not on top of your head.

**If I could do it all over again:** I would move to NYC right out of college.

**I still can't get the hang of:** Security alarms—I always get 'exit' and 'away' mixed up.

**The best thing I ever won:** I got to be the Queen at Medieval Times on a family vacation to Toronto.

**I wish I'd known:** That what I wanted to be when I was 8 years-old would never change.

**My mother always said:** Freckles never go out of style.

**Best one-liner you ever heard:** "I like kids, but I don't think I could eat a whole one."
